Mark,

Sorry, but this document has 5 parts to it. I will send you the pdfs in sections, that way they won't be so large if I would send them all at one time. Attached is the first part. Then I will try to send 2 and 3 at the same time, then parts 4 and 5 will be the last.

Thanks,

Mark,

If you like I can send you an electronic copy of the document and you can review it and let me know if it's releasable, privileged or CBI. Once you let me know I can then process that information into SEMS.

Gentlemen:

I need a refresher on how best to access this document electronically so the coding can be completed.

Thanks,

Mark

Jesse,

Below is the email I sent Mark. All I need is the access control from Mark and then I can process it into SEMS.

Hello Mark,

Hope all is well, I was going through my RTI documents and noticed there is a Vasquez Blvd RTI document #100007160, tracking #33583 that is needing an access control. Could you please review this document and let me know if you still would like for me to process it into SEMS.

Thanks,
